# WELCOME TO THE CLUB

# CLUB RULE #1

THERE ARE THREE THINGS THAT SEPERATE  
A MAN FROM ANOTHER

## Work Ethic/Mental Toughness

The effort you are willing to put in, for any given task will seperate from a group whether positively or negatively, the choice is yours.

A man with the right mental attitude cannot be stopped, a man with the wrong mental attitude cannot be helped.

## Study Habits

Your willingness to learn how to become valuable to the situation you are in, or the circumstances you have been given directly seperates you from other men.

# CLUB RULE #2

NO ONE IS COMING TO SAVE YOU, SO YOU NEED TO BE A LEADER OF ONE.

TAKING ACTION

FINDING SOLUTIONS

IT'S ALWAYS YOUR FAULT

# CLUB RULE #3

WE ARE HERE FOR PURPOSE, NOT FOR PROFIT

## Purpose

Being Purposeful begets becoming profitable

## Profit

Focusing on the dollars, will always require change, but the outcomes dont make cents

# CLUB RULE #4

WE ONLY THINK POSITIVE, BECAUSE  
WE BECOME WHAT WE THINK ABOUT  
MOST OFTEN

# CLUB RULE #5

We always remember that every adversity is a test, every challenge is a question.

The universe always asks if people want what they say want 10 times before giving them the chance to have it.

# CLUB RULE #6

The law of setpoint says that a man can only be 10% better or 10% worse than the average of the people they interact with most often.

Defining themselves as a balloon or a weight within their social environment.

We are only ever balloons for the people we are around and interact with most often.
